WORKSHOP SCHEDULE

PART 1

(9:00 AM – 11:30 PM)

Part 1 will cover essential Skills and is designed to give family members a basic set of preventions skills for working with a loved one who exhibits challenging behaviors. If the severity and frequency of the challenging behaviors is not extreme, then Safety Care for Families may be sufficient to meet their needs.

LUNCH BREAK

(11:30 AM – 12:30 PM)

PART 2

(12:30 PM – 3:00 PM)

Part II is the second session of Safety Care for Families course and is designed to provide family members with a basic set of management skills for working with a person who exhibits challenging behavior.
