

ADOS - 2

Autism Diagnostic Observation Schedule, 2nd Edition

CLINICAL WORKSHOP

Join us for this TAP sponsored workshop

The Autism Diagnostic Observation Schedule, 2nd Edition (ADOS-2) workshop is designed for both clinicians and researchers with prior background in autism and formal testing methods. It can also better prepare physicians, psychologists, occupational therapists, and speech-language pathologists to make educational placement decisions and program evaluations.

WHEN: April 10 & 11, 2019

WHERE: UIC - DHS Auditorium

1640 W. Roosevelt Rd. Chicago, IL 60608

COST: FREE
