

ABOUT TAP

The Autism Program of Illinois (TAP) is the largest comprehensive statewide network in the country dedicated to improving the lives of individuals with autism spectrum disorder (ASD) and their families. The TAP network provides a variety of resources and services including: Resource Rooms, Screening/Diagnostics, Evidence Based Interventions/ Therapy, Support Groups, and Training Programs.

MEET THE TRAINER

Bridget Gilliam, BCBA

Bridget is a Board Certified Behavior Analyst at Hope. She is responsible for writing and updating behavior programs, functional assessments, and interpreting data. Bridget is passionate about training staff, community members, and other professionals about compassionate and evidence based treatment for people with developmental differences.
